

BBQ & OUTDOOR SAFETY

MATCH THE SENTENCE TO THE PICTURE

The BBQ needs to be cleaned, as excess fat or burnt food can cause it to catch fire.

The gas bottle hose is being soaked in soapy water, to see if there are any leaks. If there is a leak, the hose should be replaced.

Using a BBQ indoors is dangerous and illegal. BBQs must be used outside.

BBQs should be used out in an open space, not too close to the house or trees.
