

Activity worksheet: Is your property ready?

Take your parent or guardian for a walk around your house, and see if you can find any possible bushfire hazards. What could you do to make your house safer before summer?

In the space below, draw a map of your house and the surrounding area. Circle and label the areas where you have found problems that you could help to fix.

Now make a list of things you could do to help make your home safer before the bushfire season.
