

LETTER TO PARENT/GUARDIAN

Support material 1

Dear Parent/Guardian

In the coming weeks a representative of CFA will be visiting our school to talk to students about fire safety.

As part of CFA's *Fire Safe Kids* program students will look at keeping safe in case of fire, what to do in an emergency and fire preparedness at home. Some of the planned activities require students to investigate fire safety at home and we ask that you help in their research.

The school's participation in *Fire Safe Kids* is part of a community-wide responsibility for fire safety and preparedness. More information about CFA is available at www.cfa.vic.gov.au.

We understand that students' experience with fire is varied, and it is important that we are made aware of any incidents that may require special consideration. Please return the slip at the end of this letter or call me directly on _____ to discuss your child's participation in the fire safety education program.

Yours sincerely
