

DRESS FOR PROTECTION

Worksheet 16

Firefighters wear protective gear to shield them from heat, and so should everyone when near fire.

Appropriate personal protective clothing consists of:

a **long-sleeved shirt and pants** made from cotton or some other natural fibre

sturdy boots and woollen socks

tough leather garden gloves – not rubber or synthetic

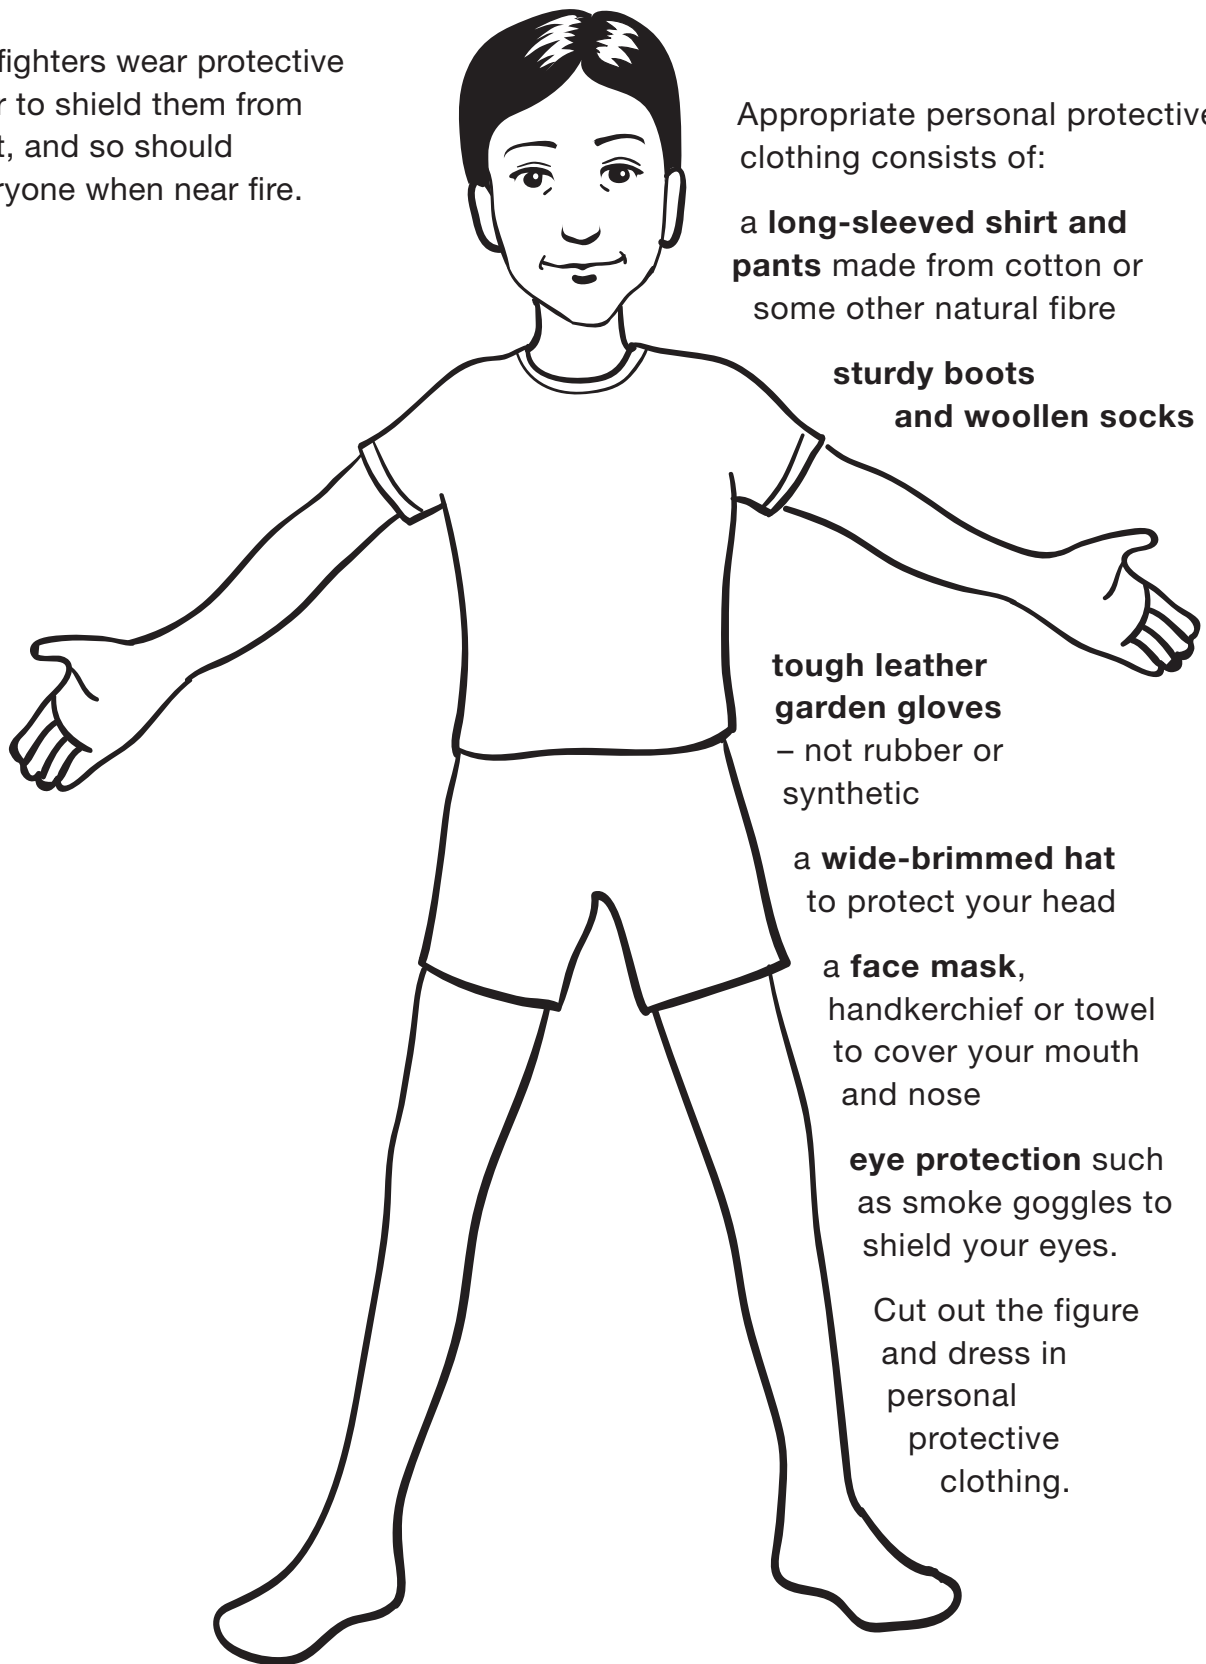

a **wide-brimmed hat** to protect your head

a **face mask**, handkerchief or towel to cover your mouth and nose

eye protection such as smoke goggles to shield your eyes.

Cut out the figure and dress in personal protective clothing.

Firefighters wear protective gear to shield them from heat, and so should everyone when near fire.

Appropriate personal protective clothing consists of:

a **long-sleeved shirt and pants** made from cotton or some other natural fibre

sturdy boots and woollen socks

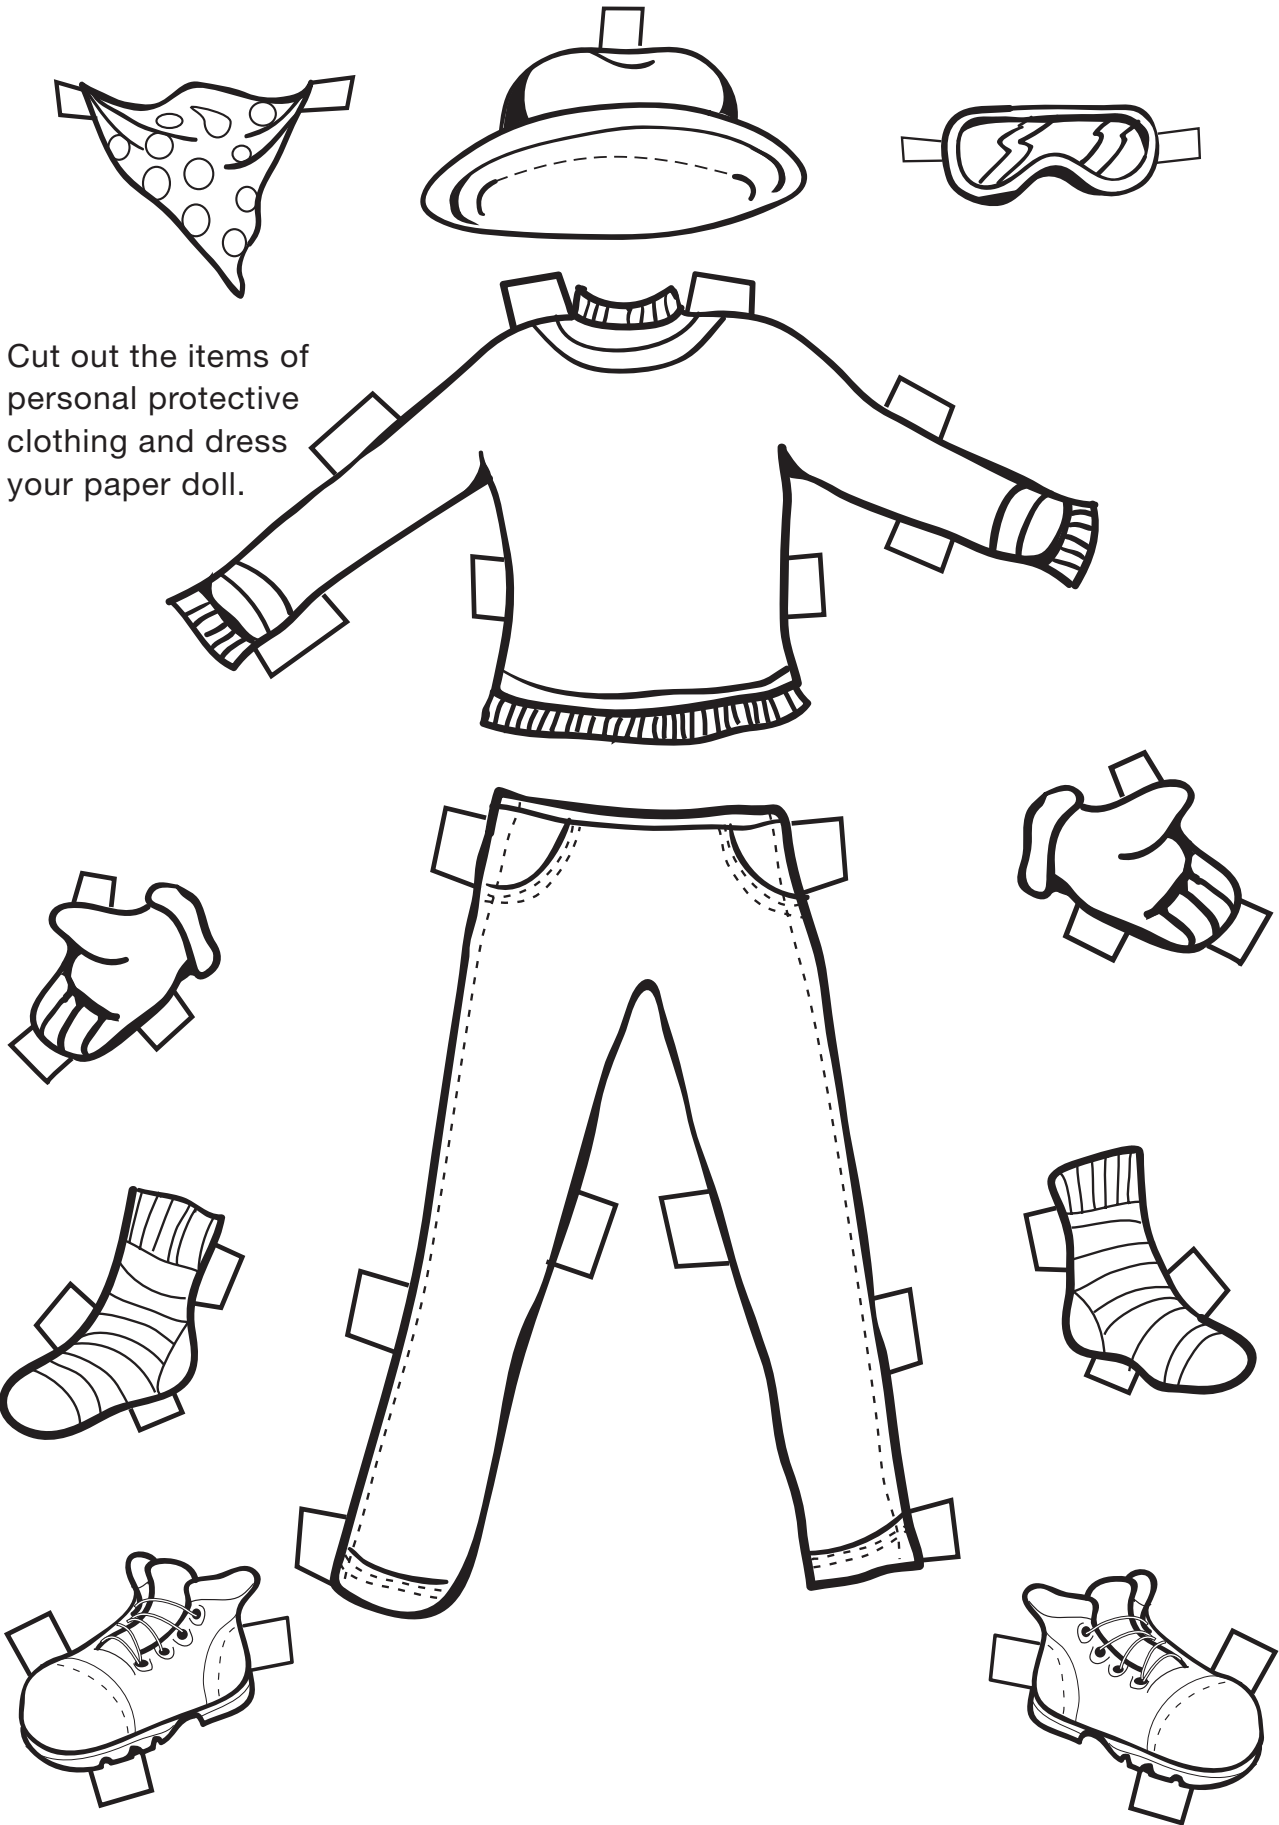

tough leather garden gloves
– not rubber or synthetic

a **wide-brimmed hat** to protect your head

a **face mask**, handkerchief or towel to cover your mouth and nose

eye protection such as smoke goggles to shield your eyes.

Cut out the figure and dress in personal protective clothing.

Cut out the items of personal protective clothing and dress your paper doll.
