

BEEP BEEP BEEP-BEEP-BEEP-BEEP BEEP BEEP BEEP

Don't hide.
Get down low
and go, go, go!
Never go back inside.

➤ KEY POINTS

- Smoke and hot air rise, the air will be cleaner and cooler near the floor.
- Smoke alarms help to warn us that there is a fire, so we can get out.
- Make sure you yell on your way out so the rest of your family and pets know that there is a fire.
- Once you are outside, never go back in.
- Get your students to practise crawling low in smoke.

Questions for discussion

Why do we crawl low in smoke?

Why should you never go back inside the house?

Where do we go once we are outside?

Why do you check the door with the back of your hand before opening it?
