IMPORTANT

I have: checked the following items and the site is ready for inspection and meets CFA requirements
I have not:

(Please tick the following boxes once completed):

Fire Hydrant Marker Posts securely installed

Reflective Road Markers (Blue) installed

Roads/access are constructed/completed

Hydrants installed to provide appropriate fire brigade access

- Hydrant covers mounted flush & square to fire plug?
- Fire brigade equipment (e.g. standpipe) have unobstructed and clear access to fire plug to allow CFA to appropriately obtain fire fighting water from fire hydrant?

Hydrant location plan included with application for SOC.

If any of the above items are incomplete when will the site/development be ready specifically for inspection by CFA?

Date:

Alternatively attach any justification stating why CFA should consent to Statement of Compliance
