BUSHFIRE - Leaving early plan

When leaving early you need to:

- Let family, friends, neighbours and service providers know that you are leaving
- Close and lock doors and windows, making sure you have your keys
- Get your relocation kit ready e.g. medications, prescriptions, mobile phone, etc.
- Pack your car or call a taxi and take your relocation kit with you
- Leave the front gate open for emergency service access.

My trigger to leave

- Fire danger rating of 'Code Red' – I will leave the night before or early in the morning.
- Fire danger rating of 'Severe' or 'Extreme' – I will leave early in the morning of that day.

Destination

I will be going to stay at:

Name:

Contact number:

Address:

.....

Transport

I will get there by:

- driving my car (making sure I know an alternative route, if required).
- family/friend/neighbour is picking me up (making sure I call the day/night before to confirm).
Name:
Contact number:
- public transport (ensuring I have access to a timetable and have a back-up plan).
- taxi (making sure I have a back-up plan).

Relocation kit

I will take my:

- relocation kit – my kit is located in:

.....

- additional personal items – e.g. Money, keys, identification, medication, glasses, etc.

Pets

I will be:

- taking them with me (including taking leads, food, bedding, crate, etc.).
- leaving them at home (with fresh food and water).
- leaving them with neighbours or in a kennel (including taking lead, food, bedding, vaccination certificate etc.).

Back-up plan

I will contact my service provider(s) to let them know I am leaving:

Name:

Contact number:

Name:

Contact number:

If it is unsafe to leave the area, I will...

- go to neighbours or another well prepared building at:

Location:

Address:

.....

- Stay at my house (in a well-prepared building).

- go to a neighbourhood Safer Place – Place of Last Resort at:

Location:

Address:

.....

PREPARE. ACT. SURVIVE.
