

Victoria's Total Fire Ban districts have changed.

Victoria now has nine Total Fire Ban districts that align with the nine Victorian Bureau of Meteorology weather districts. This means Total Fire Bans and Fire Danger Ratings now apply to the same districts.

Total Fire Bans are declared by the CFA on days when fires are likely to spread rapidly and be difficult to control. They can be declared either state wide or in certain districts.

Fire Danger Ratings predict fire behaviour should a fire start. The Fire Danger Rating level is to be used as your trigger to leave.

For more information on what you can and cannot do on Total Fire Ban days and the importance of Fire Danger Ratings, visit www.cfa.vic.gov.au or call **1800 240 667**.
