Terms and Conditions

- The applicant has read and understood CFA's 'Guidelines for Operating Private Equipment at Fires'.
<https://www.cfa.vic.gov.au/plan-prepare/private-fire-fighting-equipment>
- The issuing of a TMP Access Sticker does not mean that CFA deems the above equipment as safe and/or roadworthy. This is the responsibility of the applicant.
- The vehicle registration must be written on the TMP Access Sticker for it to be valid.
- TMP staff have the right to refuse access.
- You accept that your safety is your responsibility.
