GUIDE TO INFORMATION REQUIRED (not exhaustive)

Plans of the site/premises drawn to a suitable scale are to be provided with applications for Fire Safety Inspections and indicate the following as appropriate:

- Site plans showing all boundaries, entrances, structures, layout of subject buildings including all means of egress/entry to site).
- Distinguish existing and new works if being undertaken.
- Location of existing and/or proposed fire detection & suppression equipment (inc. hydrant & hose reels).
- Hydrant and hose reel coverage shortfalls in hatched shading (if applicable). The method of measuring coverage from the fire hydrant should also be clearly indicated.

Other Documentation required: (If not already submitted)

- Copy of the most recent Emergency Management Plan.
- Documentation of all any determinations sought or obtained from the CFA previously.
- Any Fire Engineering Briefs and Fire Engineering Reports relevant to the project including any peer review reports for fire engineering.
- Test reports for mains water (flow and pressure) where relevant for hydrant designs.
- Any other fire services maintenance documentation.

Note: CFA accepts applications in electronic format only.

SCHEDULE OF FEES

Fee Charging for Inspections and reports (Regulation 46A)

The Residential Tenancies (Caravan Parks and Movable Dwellings) Regulations 2010 permit CFA to formally charge a fee for service for inspection and reports on matters of fire safety and emergency management planning within a caravan park. The following extract from the regulations sets the rates that are applicable. GST is not applicable to Fee Units.

Part 3 of the Regulations states the following:

Regulation 46A

A fire authority may charge a fee for carrying out an inspection and preparing a report in respect of fire safety or emergency management in a caravan park.

The maximum fee for carrying out and inspection and preparing a report in respect of fire safety and emergency management planning in a caravan park is –

- 1. 10 fee units for the first hour*
- 2. 2.5 fee units for each subsequent quarter hour or part.*

Currently a fee unit for 1 July 2019 to 30 June 2020 is: \$14.81.

Therefore the fee for an inspection and preparing a report is \$148.10 for the first hour and \$37.025 for each 15mins or part thereafter.

Further information regarding indexation of fee units can be found at Department of Treasury and Finance www.dtf.vic.gov.au

Inspections – Each inspection will be charged at the above rate individually. Travel time to and from an inspection will be included in the time invoiced.

Report Preparation – Where CFA prepares a report, the overall fee for report preparation will be calculated separate to inspections.

Fee charging for provision of advice on fire prevention and suppression matters (Regulation 100(1)(b))

Country Fire Authority Regulations 2014 Regulation 100(1)(b) permit CFA to formally charge a fee for other advice for caravan parks including:

1. Expert advice
2. Review of Alternative Solution documentation
3. Preparing a request for further information

This advice will be charged at \$121.00 per hour including GST
