

## **Check bushfire information**

**CFA** 

**Easy English** 

### Hard words

This book has some hard words.

The first time we write a hard word

• the word is in blue

• we write what the hard word means.

## You can get help with this book

You can get someone to help you

read this book

know what this book is about

• find more information.

We will write contact information at the end of this book.

## **About this book**

This book is from CFA.

This book is about how to check bushfire information for your area.

You should check bushfire information every day in the hotter parts of the year.

The information can help keep you safe.

The information can tell you

• if a bushfire is more likely to start

• how bad it could be if a bushfire starts

what you should do.

# You can use the VicEmergency app

Set up the VicEmergency app on your phone.

You can check information about fires on the app.

You need to set up the app to give you the right information for your area.

You can ask for help to set up the app.

You could ask

• a family member

a friend

a carer.

## Check for bushfires near you

If there is a bushfire near you

• you might see or smell smoke

you might see fire trucks.

You should check for bushfire warnings.

A warning tells you there is a bushfire in your area.

The warning will tell you

• where the fire is

• what you should do.

The VicEmergency app will show the warning on your phone.

## **Types of warnings**

### **Advice**

The **advice** warning is yellow.

An advice warning means there is a bushfire near you.

#### Watch and act

The watch and act warning is orange.

Watch and act means

• there is a bushfire near you

• the fire is getting bigger

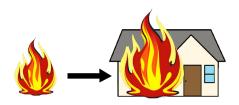

you might be in danger.

Page 6

## **Emergency warning**

The **emergency warning** is red.

An emergency warning means

• the fire will come to where you are

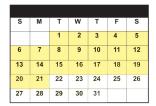

you are in danger

 you must follow what the warning message tells you to do.

## Fire danger period

You should know the **fire danger period** in your area.

Fire danger period means the time of the year when fires are more likely to start.

The fire danger period could go from summer to autumn.

For example, from January to March.

In the fire danger period there are rules about things like fires outside.

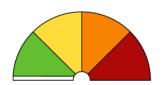

You can read all the rules on our website.

## Fire danger ratings

You should check the **fire danger rating** each day.

Fire danger ratings tell you how bad it would be if a bushfire started in your area that day.

## Types of fire danger ratings

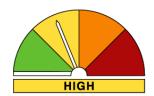

Catastrophic is the most dangerous bushfire danger rating.

#### **Extreme**

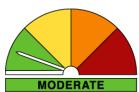

If a bushfire starts when the rating is extreme it will be very dangerous.

When the rating is high you should decide what you will do if a bushfire starts.

### Moderate

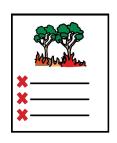

When the rating is moderate bushfire fighters could put out most fires.

## **Total fire ban**

You should check if it is a **total fire ban** day in your area.

Total fire ban means there are extra rules about things that might start a fire.

### For example

• you must **not** have a fire outside

• you must **not** use some types of tools.

You can read all the rules on our website.

On a total fire ban day

• it will be hot and windy

• a fire could spread fast.

## More ways to get bushfire information

You can call the VicEmergency Hotline.

Call 1800 226 226

The VicEmergency Hotline gives the same information as the VicEmergency app.

• the CFA website

• fire danger rating signs on roads

• television or radio.

For more information contact CFA.

Website <u>cfa.vic.gov.au</u>

You can also get fire information from VicEmergency.

Website <u>emergency.vic.gov.au</u>

Call 1800 226 226

 $\textbf{Call} \ \ 000 \ \ \textbf{in an emergency}.$ 

You can read the full information on our website.

Website

cfa.vic.gov.au/warnings-restrictions

### If you need help with English

Use the free Translating and Interpreting Service or TIS to make a phone call.

You can call the TIS in your language.

Call 131 450

Give the TIS officer the phone number you want to call.

#### If you need help to speak or listen

Use the National Relay Service to make a phone call.

Call 1800 555 677

Website <u>accesshub.gov.au/nrs-helpdesk</u>
